

Abu Dhabi Education Council
Vision Private School

Promotion and sedimentation policy

Education is mandatory from the beginning of the first row and the basic responsibility of the guardian located

To ensure the quality of education the school provides equal opportunities in development for all students

To achieve high levels of quality education and a good number of students numbers to build a mature society.

And the school follows the following policies in the admission of students: -

The registration of new students by the age of each grade level -1

Must provide identification papers to the student, such as a birth certificate - identity - passport - the previous row degree certificate if the lifter - the transition between schools communications network for the Council of Abu Dhabi.

A personal interview for the student to make sure that a student with special needs or Normal

Conduct placement test for students of middle-level grades.

2. promotion and sedimentation

From first to fifth grade will be based on the continuous assessment exams and diagnostic exams take place for students to find out the weaknesses of the students with constant communication with the teacher through specialist for the treatment of weakness when vulnerable students.

At the end of the school year if the student remained below the level for promotion to the next grade is the formation of an ad hoc committee under the chairmanship of the school principal to discuss the student's level of presence of teacher agreed to re-grade student enrolled him again.

As for the students from the sixth stage to the second ten:

Students undergo a continuous calendar next to the end of the exams for the three classes according to the list of Abu Dhabi Education Council.

3. graduation policy

The interest of the school to the number of good numbers for a sense of responsibility and help them choose the right academic field to the field after school the following school students to twelfth grade students

- inform students on the Academic Advising for universities and programs so by visiting local universities.
- the success of the visit to see the Admission and specialties available exhibition.
- encourage students to get a TOEFL and IELTS.
- at the end of the year the school will work collectively graduation ceremony for students and parents of students in the presence of things and give them souvenirs from the school next to a certificate of appreciation.
- Invite students who have graduated from the school and attended college to meet their colleagues and provide advice and interest to them.
