# GRADUATION POLICY

**Mr. Nabeel Abu Jarad  
The Principal**

## Graduation policy

The main interest of school is to prepare students well as a sense of responsibility and help them choose the right academic field after school, so the school provides twelfth grade students with the following:

- Inform students on academic guidance programs for different universities by visiting local universities.
- Visit the success exhibition to follow the Admission and available specialties.
- Encourage students to get a TOEFL and IELTS.
- At the end of the year the school will hold a graduation ceremony for students in the presence of their parents and give them souvenirs from the school next to a certificate of appreciation.
- Invite students who have graduated from the school and attended college to meet their colleagues and provide advice that interests to them.
- The school administration is keen to organize a graduation ceremony for twelfth grade students, as well as kindergarten students because of the importance of these classes in the life of students, and in line with the desire of parents.
- The graduation ceremony is held annually at the end of the school year.
- The formation of a committee to organize the graduation ceremony of the members of the administration and teachers for the development and formulation concert programs well in advance.
- To address the guardian with an official letter for the prior approval of all parents.
- The concert program development and work to prepare for all the paragraphs.
- Set up a dinner party after the graduation ceremony for those who wish of students and their parents at the behest of twelfth grade and it will be optional and prepare a program to the ceremony.
- The school books appropriate hall to the graduation ceremony to suit the number of graduates and their parents.

- The school is responsible for the expense of graduation ceremony and booking the hall and all of the programs that are presented.
- Students are assigned with a graduation gown.
- Parents are invited in accordance with a specified number of places available.
- The graduation ceremony takes into account its commitment to the values and customs of the community and the United Arab Emirates.
- The distribution of certificates to the graduates' students with excellence, scholarship certificates by the sponsor of the event and director of the school.
- Kindergarten taken into account by the students' age, and the goal of the concert is the Recreation and deployment of a smile on the students and motivate them to learn and love the school.
- Awards and certificates are suitable for the age of kindergarten.
